The two games to be played in Westerly Saturday afternoon between Westerly and Stonington teams are of such importance in connection with the championship of the Rhode Island-Connecticut baseball league, that Dr. John M. O'Connell, president of the league, has decided to employ two impartial impires, who are well versed in all points of the game.

He fins secured the services of William Finn, known as Mickey, who has played with the New London and New Britain clubs of the Connecticut league for several years, and who dur-

Also Edward Rufiange, the Connecticut league catcher, also formerly with the New London and New Britain teams. Both these experienced basebail players are disinterested in the Westerly-Stonington contests, and therefore acceptable to the management of both teams.

President O'Connell has assigned Shackley to umpire the two games at Carolina with White Rock, and Donohue will umpire the Wakefield and Norwich game.

Angelo Longobotto and Paul Lallo, two Westerly boys, were picked up by the New York police Wednesday evening as runaways. The parents in Westerly were notified and informed that unless arrangements were made to return the boys to Westerly by two o'clock Thursday afternoon they would be sent to a reform institution. The New York police department was communicated with by telephone and arrangements were made to hold the boys at police headquarters until Friday noon.

"My baby was sitting beside the fender and we were preparing the breakfast when the frying-pan full of boiling grease was upset and it went all over one side of her face and head. Some one wiped the scald with a towel, pulling the entire skin off. We took her to a doctor. He tended her a week and gave me some stuff to put on. But it all festered and I thought the baby was disfigured for life. I used about three boxes of Cuticura Ointment and it was wonderful how it healed. In about five weeks it was better and there wasn't a mark to tell where the scald had been. Her skin is just like velvet. Mrs. Hare, 1, Henry St., South Shields, Durham, England, March 22, 1508."
